MEMORANDUM FOR: The Director, National Reconnaissance Office

SUBJECT : Security Indoctrination

REFERENCES : A. Memorandum from Director/NRO dated 15 Sept.  
1970 [redacted]

B. [redacted] Directive No. 1 dated 20 Nov. 1962  
[redacted]

1. I have received Reference A and will be pleased to cooperate with your staff in the preparation of the requested security manuals.

2. It is recommended, however, that prior to full implementation of your instruction, your staff with the assistance of the Special Security Center devise the indoctrination manual format and delineate and define elements of security plans, policies, and procedures mentioned in your instruction. Paragraph 8 of Reference B tasks the Special Security Center with assisting Project Directors in the preparation of security indoctrination and reindoctrination programs.

3. I believe it would be useful and appropriate for manuals submitted by the other Program Directors and by NRO Staff to be reviewed by the Special Security Center to help insure that they are in accord with existing [redacted] security policy.
